

## Southern Southeast Regional Aquaculture Association (SSRAA)

*SSRAA's mission is to enhance and rehabilitate salmon production in southern Southeast Alaska to the optimum social and economic benefit of salmon users.*

### **Whitman Lake Hatchery Maintenance Supervisor**

Full Time, Salary

Southern Southeast Regional Aquaculture Association (SSRAA) is recruiting a maintenance supervisor at the Whitman Lake & Deer Mountain Hatcheries in Ketchikan, Alaska. The Whitman Lake Hatchery program operates both hatcheries producing chinook and coho salmon, is a central incubation facility for summer chum, and manages four remote spring rearing camps in the region. Desired skills include proficiency in: carpentry, welding, plumbing, basic electrical, maintaining preventative maintenance records, use of hand and power tools, and project planning. In addition to maintenance responsibilities, this position may, on occasion, assist with various fish culture activities and will be expected to perform other duties as assigned.

The ideal candidate must have the ability to develop healthy working relationships with vendors, contractors, co-workers, other SSRAA departments, and have the willingness to share knowledge and skills. The successful candidate must have or be able to obtain an Alaska Driver's License and all applicants may undergo a background check. Benefits include: health, dental, life, long-term disability insurance, participation in a 403b retirement plan, and personal and sick leave accrual.

Salary Description: \$4,696.00/month to \$6,367.47/month DOE. SSRAA is an equal opportunity employer. To apply go to [www.ssraa.org](http://www.ssraa.org) or follow URL below:
