Neets Bay Maintenance Supervisor

Full Time, Salary

Southern Southeast Regional Aquaculture Association (SSRAA) is recruiting for full-time maintenance supervisor at the Neets Bay Hatchery, a remote hatchery located approximately 30 air miles from Ketchikan, Alaska. The Neets Bay Hatchery program includes approximately 140 million chum salmon and 3.5 million coho salmon. This position requires living on site in furnished subsidized rental housing. Utilities include but are not limited to: weekly mail and supply flights, satellite internet, and R&R hotel accommodation in Ketchikan. Work consists of maintenance and repairs associated with 9 residential buildings, a bunkhouse, a shop/office building, a hatchery building, rolling stock, various boats and outboards, a hydro-electric generator and two diesel generators, a large dock and multiple netpen complexes, multiple barges as well as other infrastructure associated with a small community.

The ideal candidate must have the ability to develop healthy working relationships with vendors, contractors, co-workers, other SSRAA departments, and have the willingness to share knowledge and skills. Desired skills include proficiency in: carpentry, welding, plumbing, basic electrical, maintaining preventative maintenance records, use of hand and power tools, and project planning. In addition to maintenance responsibilities, this position may, on occasion, assist with various fish culture activities and will be expected to perform other duties as assigned. The successful candidate must have or be able to obtain an Alaska Driver's License and all applicants may undergo a background check. Benefits include: health, dental, life, long-term disability insurance, participation in a 403b retirement plan, and personal and sick leave accrual.

Salary Description: \$4,696.00/month to \$6,367.47/month DOE. SSRAA is an equal opportunity employer. To apply go to www.ssraa.org or follow URL below:
