

Southern Southeast Regional Aquaculture Association (SSRAA)

SSRAA's mission is to enhance and rehabilitate salmon production in southern Southeast Alaska to the optimum social and economic benefit of salmon users.

Neets Bay Hatchery Maintenance Technician

Full Time, Hourly

Southern Southeast Regional Aquaculture Association (SSRAA) is recruiting for full-time maintenance technician at the Neets Bay Hatchery, a remote hatchery located approximately 30 air miles from Ketchikan, Alaska. The Neets Bay Hatchery program includes approximately 140 million chum salmon and 3.5 million coho salmon. This position requires living on site in furnished subsidized rental housing. Utilities include but are not limited to: weekly mail and supply flights, satellite internet, and R&R hotel accommodation in Ketchikan. Work consists of maintenance and repairs associated with 9 residential buildings, a bunkhouse, a shop/office building, a hatchery building, rolling stock, various boats and outboards, a hydro-electric generator and two diesel generators, a large dock and multiple netpen complexes, multiple barges as well as other infrastructure associated with a small community.

The ideal candidate can develop healthy working relationships with co-workers and have a willingness to learn and share knowledge and skills. Some experience in construction and/or maintenance and repair is required. Boating experience is a plus. The job requires the ability to lift, carry, push, or pull 50lbs or more repeatedly, work outdoors in inclement weather or inside around cold running water.

Pay is \$20.69/hr to \$28.06/hr, DOE. SSRAA is an equal opportunity employer. To apply go to SSRAA website www.ssraa.org or click on the URL below:

<https://recruiting.paylocity.com/recruiting/jobs/All/bbb1c014-9ee1-4222-9683-b69ca13c4557/Southern-SE-Regional-Aquaculture-Association>

The position is open for immediate hire and will remain open until filled.
