

Southern Southeast Regional Aquaculture Association (SSRAA)

SSRAA's mission is to enhance and rehabilitate salmon production in southern Southeast Alaska to the optimum social and economic benefit of salmon users.

Burnett Inlet Hatchery Manager

Full Time, Salary

Southern Southeast Regional Aquaculture Association (SSRAA) is recruiting for full-time Manager at the Burnett Inlet Hatchery, a remote hatchery located approximately 30 air miles from Wrangell, Alaska. The Burnett Inlet Hatchery is a central incubation facility for summer (90Million eggs) and fall (18 million eggs) chum salmon. This position requires living on site in furnished subsidized rental housing. Utilities include but are not limited to: weekly mail and supply flights, telephone service, satellite internet, and R&R hotel accommodations in Wrangell or Ketchikan. The current staffing level is 4 permanent (including Manager) and up to 3 seasonal employees.

The ideal candidate must exhibit the ability to lead by developing healthy working relationships throughout the corporation, sharing knowledge and skills in the process. Experience must include a solid foundation in hatchery operations including gamete collection, incubation operations, fish husbandry, saltwater rearing and egg/fry transport operations. Demonstrated ability to successfully lead a workforce. Excellent communication skills and an understanding of facility and equipment maintenance. Demonstrated work history in fisheries, aquaculture or related field with management experience and a two-year degree in fish culture or related field is required. Work experience may be considered in lieu of degree.

Salary range: \$65,315 to \$88,563 **depending on experience**. The benefit package includes but is not limited to: health, dental, life and long term disability insurance, and a competitive retirement plan. SSRAA is an equal opportunity employer. To apply click on URL below:
