

## Southern Southeast Regional Aquaculture Association (SSRAA)

*SSRAA's mission is to enhance and rehabilitate salmon production in southern Southeast Alaska to the optimum social and economic benefit of salmon users.*

### **Human Resources Manager**

Now Hiring: Human Resources Manager | Ketchikan, Alaska

SSRAA is seeking a senior level HR professional to build and lead our HR function. This is a high impact role supporting leadership, employees, and mission driven operations tied directly to Southeast Alaska's salmon fisheries.

This is ideal for someone who:

- Has led HR independently
- Enjoys building systems and structure
- Values ethics, compliance, and people centered leadership
- Is excited about living and working in Southeast Alaska

Top tier benefits, strong retirement, generous PTO, and meaningful work.
