2022 KENDRICK BAY TERMINAL HARVEST AREA FISHERY ANNOUNCEMENT

The Kendrick Bay Terminal Harvest Area (THA) will **not open** to the harvest of hatchery produced chum salmon until 12:01 a.m., Thursday, September 1, 2022. This closure is being implemented so the Southern Southeast Regional Aquaculture Association (SSRAA) can conduct cost recovery fishing inside the Kendrick Bay THA. If SSRAA meets their cost recovery goals prior to August 31, a subsequent advisory announcement will be released opening the Kendrick Bay THA to common property harvest for purse seine and troll gear.

The Emergency Order corresponding with this announcement is EO 1E0722.
