

Southern Southeast Regional Aquaculture Association (SSRAA)

SSRAA's mission is to enhance and rehabilitate salmon production in southern Southeast Alaska to the optimum social and economic benefit of salmon users.

Burnette Inlet Hatchery Seasonal Fish Culturist

Full Time, Hourly

Southern Southeast Regional Aquaculture Association (SSRAA) is recruiting for full-time seasonal fish culturist(s) at the Burnett Inlet Hatchery a remote hatchery located approximately 30 air miles from Wrangell, Alaska. The Burnett Inlet Hatchery program is a central incubation facility for summer and fall chum. This position requires living on site in a furnished bunkhouse. Provided benefits include but are not limited to: weekly mail and supply flights, satellite internet, satellite tv, and groceries. Work consists of fish culture and basic maintenance duties at the hatchery and may require occasional work at a spring remote camp.

The ideal candidate has the ability to develop healthy working relationships with co-workers and have a willingness to learn and share knowledge and skills. Previous experience is preferred but SSRAA will train the right applicant. The job requires the ability to lift, carry, push, or pull 50lbs or more repeatedly, work in inclement weather, and inside around cold running water.

Pay is \$17.41/hr to \$20.50/hr, DOE. SSRAA is an equal opportunity employer. To apply go to SSRAA website www.ssraa.org or click on the URL below:
